

Dear everyone,

Due to the current situation with the Covid 19 virus, we are currently working on a plan to postpone European Glass Context, to a time when it is again safe to travel and meet on international and European level.

Until we have a new date confirmed, we are not accepting applications for the Open Call section of the exhibition or the Artist in Residence program.

We will open for applications again, when a new date is published.

More information will follow shortly.

Until then, stay safe and healthy.

Kind regards

Susanne Jøker Johnsen

Project Director
